

The Montagues hated the Capulets

The Prince delivers his decree

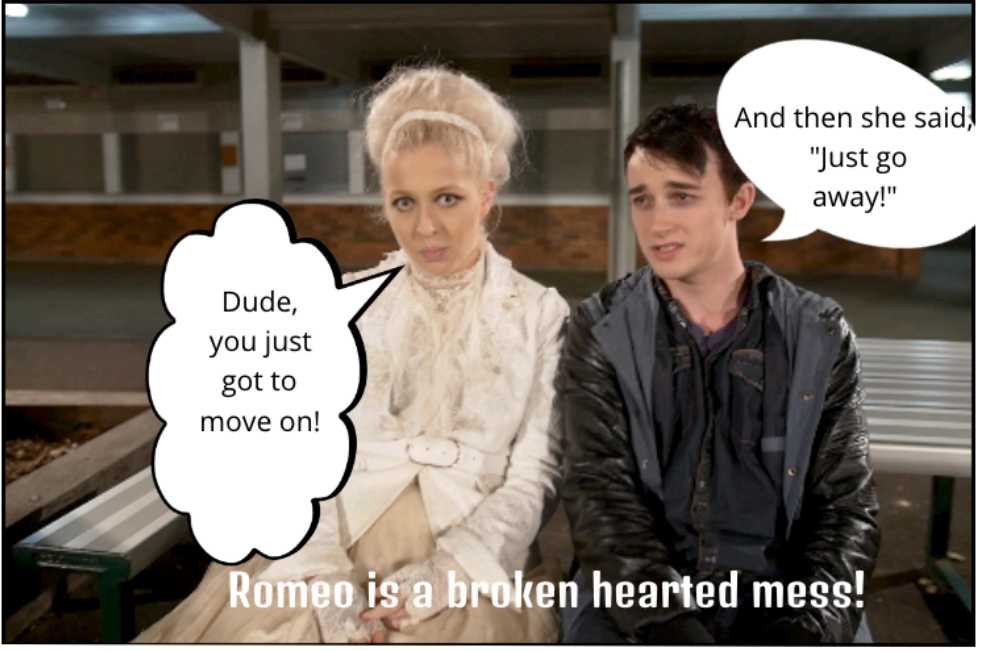

Did that dude bite his thumb at me?!

NO FIGHTING ON PAIN OF DEATH!

Romeo's Mum is worried sick!

Has anyone seen Romeo?

Dude, you just got to move on!

And then she said, "Just go away!"

Romeo is a broken hearted mess!

Meanwhile at the Capulet Household....

My name is Paris, and I aim to marry your daughter, Juliet!

Romeo hears about a party

And Rosaline's gonna be there.
